Did you know?

We use many organic ingredients. We use traditional preparation methods. These methods include the sprouting of our organic beans for falafel and the soaking of the organic whole wheat flour we use in our beer batter. We get our produce from a company who sources from Vermont and surrounding states. We always use Vermont's Long Trail Ale in our beer batter. Our fresh organic mayonnaise is made with local pastured eggs and organic sunflower oil. We use pickles from Real Pickles in Mass. in the making of our fresh tartar sauce. Our tahini comes from a family in Mass. who has been in the business since 1958.

We are always working hard to improve our offerings here at Fish, Chips & More. Thank you for your support.

Sincerely,
The Mannings
